Published online: 09 May 2023

Following publication of the original article [1], it was noted that due to a typesetting mistake, the incorrect file for Additional file 1 was processed.

The correct file for Additional file 1 is attached to this Correction and has been corrected in the original article. The publisher apologises to the authors and readers for the inconvenience caused by this error.

Supplementary Information

The online version contains supplementary material available at <https://doi.org/10.1186/s40462-023-00391-4>.

Additional file 1: S1.1: Small mammal sampling regions. S1.2: Small mammal sampling design visualization. S1.3: Information extraction from the federal layer TLM3D. S1.4: Information extraction from cantonal layers on agricultural fields. S1.5: Merged habitat types for habitat categories. S2.1: Model validations. S2.2: Small mammal activity density. S2.3: Vole activity density. S2.4: Models home range. S2.5: Model distance centroid nest box.
